

Farmington Public Schools Homeless/Low-Income Student School Supplies Donations Needed!!!

We want to make sure that ALL students have the school supplies they need for the first day of school and throughout the year. Many families struggle to meet the day-to-day costs of housing and food demands, so purchasing these items is very challenging.

Last year we had over 180 homeless students and 27% of FPS families live at or below the poverty level!!! Help us put a smile on these faces!

You can send/drop off school supplies or monetary donations at our office:

You may leave donations outside our office door if we are not there ☺
